SEPTEMBER|2023

Dear friends,

The political conflicts in the world around have polarized both religious and secular world. There is so much of fake news and so much of overlap between right and wrong that the common people are confused. Everyone has justification for violence and killing. Even the leaders of United Nations have found it difficult to state their position. Is there any distinct position on any issue today? Can anyone stand boldly like Jesus and claim, "Can any of you prove me guilty of sin?" (John 8:46) The answer is obviously NO.

We see such confusion not only at the global level, but also at the national and the local level. We desperately need more men and women of God in every place in the World who might be able to discern and guide our Church, society, and nation.

Bible says, "There is no one righteous, not even one;" (Rom 3:10) And then in conclusion it states, "for all have sinned and fall short of the glory of God" (Romans 3:23). All human beings need the teaching of Jesus and his forgiveness more than ever before. The ministry of the Holy Spirit and the Words must continue.

I am grateful to God for a wonderful team of staff who are relentlessly and courageously serving the Lord. In this newsletter you shall find some highlights of the activities that happened in the past quarter in eastern and northeastern part of India. Please join us to praise and pray to the Lord of the miracles.

Thank you for your prayers and support.

- Rev. Dr. A. K. Lama
