Dear Friends,

We praise God for a Match Grant of \$25000/- for the TLA land development.

I would like to thank you for your partnership. And I write this to share the good news that we have an anonymous gift of \$25000/- as a Match grant this year for the TLA land development. Any donation for this project shall be doubled. In other words, we can have a total of **\$50000/-** to continue the construction work. Your commitment to support the “Center for Transforming Leaders in Asia” has been significant. May I also request to share this good news to your *friends and relatives* who may like to impact the Kingdom’s work in Asia.
